

## CLASS 1 TEACHER-FULL-TIME

**2019**

Come and join us in the only truly desert, remote school in Australia! Our School is nestled below the breathtaking MacDonald Ranges in the centre of our great continent.

We are seeking someone with experience teaching in a Steiner School or relevant training who is able to meet the curriculum needs of Class 1 and beyond. You will be working with a vibrant class of up to 25 students. We value team players with excellent communication skills, enthusiasm and a love of teaching.

Our school has grown rapidly over 21 years from playgroup to Class 6 and will offer Class 7 in 2019.

We have single stream classes and are continuing our building program for the high school with a new Master Plan having been developed.

We offer generous teacher PD as part of our package of up to \$2000.00 pa. There are also taxation benefits available for working and living in a remote area – yet Alice Springs is a lively cosmopolitan town with strong indigenous culture, theatre, music, vibrant arts community, cafes, restaurants and all services.

For more details visit our website [www.alicesteiner.nt.edu.au](http://www.alicesteiner.nt.edu.au).

For further information please contact Bruce Thurgood, Principal at the school on 08 8953 4578

Please send an application with cover letter of up to 2 pages and your CV to: [principal@alicesteiner.nt.edu.au](mailto:principal@alicesteiner.nt.edu.au)

You will be required to have or obtain:

- Teacher Registration in the Northern Territory
- An Ochre Card (NT)
- A National Criminal History check
- A Current First Aid Certificate
